

FRANKE DETERGENTS

Perfect coffee enjoyment with optimal hygiene

Thorough cleaning is absolutely essential in order to offer your customers and guests the best possible in-cup quality on a day-to-day basis. Franke offers a wide selection of innovative special cleaning agents and water conditioners for the entire coffee machine range.

Only original Franke cleaning agents should be used, as these are the only products guaranteed to offer perfect cleanliness, optimal reliability and long-lasting protection of your machine.

If you have any questions, please contact your Franke representative or the Franke customer service team.

- IMPORTANT:**
- ✓ Only use original Franke detergents
 - ✓ The Franke A-series and C-series require special, newly developed cleaning agents

MAKE IT
